Napa Valley CHARDONNAY 1993

*O*ur 1993 Chardonnay grapes came from three vineyard sources each planted with different clones. Four of them originated in our *Carneros* vineyard. These grapes contributed the underlying acidity, as well as a delightfully seductive aroma. The balance of the fruit came from estate vineyards in *Yountville* and *Rutherford* each planted with four additional clones. These grapes added richness and complexity to the finished wine.

As you smell and taste this Chardonnay, you will no doubt notice layer upon layer of fruit flavors and aromas. The flavor is reminiscent of green apples and pears complemented with vanilla along with a background of soft spiciness from new French Limousin barrels.

Taste Profiles of 15 Top Rated Chardonnays

94

Grgich Hills 1993 Napa Valley. Perhaps a little restrained, but still a whole wine of wondrous complexity, being 100% barrel-fermented, grapes from three Napa Valley vineyards give flowery elegance. A "keeper" not to miss.
