2005 ZINFANDEL

ESTATE GROWN • NAPA VALLEY

VINTAGE: 2005 will be remembered for its long, cool growing season. The year began with heavy rains, and then a spell of 80-degree weather in early March triggered budbreak. The generally cool summer allowed the grapes to ripen smoothly and completely, without any major heat spikes to confuse them. Mildew was not a problem for us as in some cool years due to our Biodynamic[®] farming practices.

VINEYARD: We grow our Zinfandel using organic and Biodynamic farming techniques at our estate vineyard in Calistoga, nestled in the northern tip of Napa Valley. The reddish soils here are gravelly loam that provide excellent drainage and the cloudless days and cool nighttime temperatures are perfect for sun-loving Zinfandel. The vines are head pruned to protect the grapes from sunburn. All of these factors contribute to produce concentrated, complex flavors in the wine.

THE WINE: We age our Zinfandel in large oak casks so the flavors are well integrated but not overwhelmed by oak. The result is an irresistible mix of strawberries and raspberries with a hint of allspice that keeps evolving as the wine sits in the glass. Nicely balanced between acidity and alcohol, this medium-bodied Zinfandel's forward fruit and soft tannins make it a great match with grilled meats, pizza and pastas with tomato sauce.
