# setting the stage

---

The backdrop for this year's holiday gift catalog is Grgich Hills Estate's historic Yountville Victorian. Built by Thomas Fawver in 1885, the home was acquired by Grgich Hills in 1984, along with the adjacent vineyard, which, in his many years traveling up and down the highway, Mike longed to own. Mike went to work renovating the house, working to preserve as much as he could of the house's historic charm. He called the Victorian home for the next twenty years.

Learn more about the history and heart of this beautiful home as you browse the gifts we've curated in this year's catalog.
